MIAMI, Fla., Dec. 15.—Radio messages from Nassau to-day announcing arrival there of the yacht Grey Duck apparently cleared all doubt as to the safety of the vessel, for which a search has been in progress for two days. David W. Griffith and a party of motion picture actors were aboard the yacht, which was said to have been blown from its course shortly after leaving this port Wednesday.

The Navy Department had ordered an active search with destroyers, seaplanes and other craft before news of the safety of the party was received.

The telegram received by Mr. Grey was from Jack Lloyd, Mr. Griffith's personal representative. It said that Mr. Griffith and the passengers aboard the Grey Duck were three days without food and water, and believed every minute that the vessel would be beaten to pieces by the waves.

Mr. Lloyd declared that all persons aboard the boat considered the escape remarkable. The Grey Duck, he said, was aided by sponge gatherers in reaching shore.
